

Join our Board

Location: Hull and East Riding of Yorkshire (Hybrid meetings)

Unremunerated, reasonable expenses covered.

PFH has a long and proud tradition of providing superior yet affordable housing options for older people in Hull and East Riding. We are truly a values-based organisation, providing good quality homes and a strong delivery of health and wellbeing services to our residents. We are proud to be small and local, and constantly challenge ourselves to consider what it means to be 'more than a landlord' by playing a positive part in our residents' wellbeing as they move through new stages of their lives.

We have an opportunity for an experienced non-executive director to join us to ensure we continue to challenge our offering to our residents and keep us pointed in a positive

strategic direction. Ideally, we are looking for someone who has a background in strategic asset management, investment and sustainability work planning and delivery.

Our Board members will be expected to join a committee commensurate with their skills. We are always aiming to demonstrate governance excellence. We want the benefits a diverse board can bring to us and we will judge your application on its merits.

If you are looking to contribute to a creative and forward-thinking organisation that supports older people to live without compromise, we offer a collegiate and supportive environment and a great experience that we're excited to talk to you about.
